## CRITICAL CONSIDERATIONS FOR ACCELERATED DEGREE PROGRAMM

April 24, 2015 :: 1:00 - 2:30 p.m. EDT

---

*Prepare yourself for the challenges of accelerated degree programs.*

### OVERVIEW

---

Providing students with accelerated pathways to completion is becoming a best practice for institutions to lower time to completion and help students manage college costs. Launching these accelerated programs comes with a distinct set of challenges for a host of campus stakeholders. Proactively addressing these risks will help provide a high quality experience that is sustainable for years to come.

Join us for an online training designed to help surface the key challenges that accompany the launch of accelerated degree programs. Our expert faculty will show you proven models for integrating and sustaining accelerated programs. This training will provide insight into:

- ManagING the reorganizatiON of complex degree pathways
- AvoidING student support breakdowns
- Effectively preparING faculty to aid in student completion

**We will be taking your questions prior to the webinar to ensure we address challenges on your campus!**

# IMPORTANT INFORMATION

---

## LOGGING IN TO THE WEBCAST

After registration, each registrant will receive a confirmation of payment or an invoice, depending on method of payment. Each registrant will also receive an email with appropriate login information and more information regarding the event a few days prior to the start of the event. The day of the conference, you will receive another email with the same information. To participate, you will need a computer with a high-speed Internet connection. You will have the option to receive audio via your computer speakers or telephone.

## WHAT IS A SINGLE SITE CONNECTION?

A site connection allows a single connection to the Web conferencing software and teleconference. We encourage you to set the event up in a conference room or classroom from a single computer in order to allow multiple stakeholders from your campus to participate. Remember, as long as only a single computer connects, you can bring as many people as you want to the event. If an interested party cannot participate at the designated time, or if someone would like to view the presentation again, an archived copy of the event will be available for 60 days. **If you have any technical or purchasing questions, please contact us at 720.488.6800.**

## LIVE WEBCAST CONNECTION

With a single site connection you can invite as many people as you like to watch and listen to the webcast from the same computer. You'll also receive an electronic link to the presentation materials and handouts as well as additional resources referenced during the live event. Following the webcast you'll receive an email that contains a link to the recorded webcast (link active for 60 days). Additional site connections are also available for \$195.

## CD RECORDING OF LIVE WEBCAST

We record the audio and visual portion of all live webcast events and make them available in two forms; as a CD or as an electronic download. CD recordings are mailed with a bound copy of the presentation materials and handouts approximately 10 business days following the live webcast date.

## ON-DEMAND DOWNLOAD OF LIVE WEBCAST (180 DAY LICENSE)

We record the audio and visual portion of all live webcast events and make them available in two forms; as a CD or as an electronic download. On-demand downloads are available through an internet link sent via email approximately 10 business days following the live webcast date (links are active for 180 days).

PLEASE FAX ALL REGISTRATION PAGES TO: 303.221.2259

# REGISTRATION FEES

Make the most of the presentation: purchase a live connection and invite your whole team to participate from a single location at no additional cost. Questions about the event?
